STREET FOOD FEST COMING TO KIDBROOKE VILLAGE ON 29TH JUNE

On Friday 29th June, Kidbrooke Village will become a haven for food lovers when The Village Centre hosts its first ever street food festival, which will run from 5pm to 9pm.

Gourmet enthusiasts can enjoy a range of cuisines, from tortillas to pizza, and there will be a variety of cocktails and beers on offer. Our live jazz band will also be playing throughout the festival to get the party started.

With summer now well and truly upon us, the street food festival will be the perfect way to ease yourself into the weekend, get to know fellow neighbours and relax with friends.

For more information on this event don't forget to follow @_kidbrooke Twitter page or the Kidbrooke Village Community Facebook page.

ANNUAL SUMMER FÊTE 4TH AUGUST

Make sure you keep your diaries free on Saturday 4th August as we'll be celebrating Berkeley Homes' Annual Summer Fête in Cator Park – come and join us!

With over 4,000 residents now calling Kidbrooke Village home, it's the perfect chance to come along, meet your neighbours and have a laugh while enjoying the stalls and rides at the event.

Further event details will be coming through your door in July. Information is also available on our @_Kidbrooke Twitter page and the Kidbrooke Village Community Facebook page.

LOCAL STUDENTS EMBRACE 'HAVE A GO' DAY

Working in partnership with Berkeley Homes, London South East Colleges welcomed over 50 students from across three schools in the Royal Borough of Greenwich to take part in an exciting 'have a go' day on Tuesday 24th April.

During the day, boys and girls from Stationers' Crown Woods Academy, Thomas Tallis School and The Halley Academy took part in a hands-on experience of brickwork and tiling/mosaic tasks at the Kidbrooke Construction Skills Centre, located in the heart of the Village. A team of expert tutors were on hand to teach them the skills involved and there was also an interactive development walk by the Berkeley Homes team.

Jenni Carrott, Workplace Manager for Berkeley Homes said: "We found last years 'have a go' day to be very beneficial to the local school students, so we decided to expand our reach by inviting three schools this year. Everyone enjoyed the experience and several

students have since approached us to ask about potential work experience opportunities in bricklaying. This is fantastic news and shows us the event has done what we hoped; it has given students a flavour of what construction is all about, and added it as an option when considering their future careers."

Thomas Tallis teacher Lauren How was suitably impressed with the activities laid-on for her group. She said: "I was unsure as to whether the students would enjoy this trip or not. I shouldn't have worried; they loved it. In fact, I have not seen them work together in teams the way they have today. I think they have learnt a lot."

Student, Tyler thoroughly enjoyed the bricklaying challenge. Putting the finishing touches to his newly built wall, he commented: "I've never done this before and always wanted to have a go at building something from scratch. Its great fun and I'd love to learn much more about brickwork, plumbing and carpentry. Thank you to my teachers for bringing me here today."

FALCON LADIES

Just around the corner from Kidbrooke station a group of women, passionate about being part of a team, play 5-a-side football to keep fit and meet other women from the local area.

This friendly team is called Falcon Ladies FC and the aim of the team is to attract more women to the sport by creating a relaxed, inclusive training atmosphere where anyone can join.

The Falcon Ladies train every Monday from 7.30pm to 8.30pm at Long Lane JFC on Dursley Road, Kidbrooke with their newly qualified FA coach Brian.

If you would like to be part of the team, get fit and learn some new skills, then get in touch via Facebook, Twitter, Instagram, or email at falconladies@outlook.com.

MEET HELEN YOUR NEW COMMUNITY POLICE OFFICER

Can you tell us about your role?

I am a Police Community Support Officer, providing a visible and reassuring presence within the community. I am the eyes and ears of the Metropolitan Police Service and gather intelligence against criminal activity. I support and engage with residents, businesses and other partner agencies to make the community safer.

Why is your role important to the ever-developing community here at Kidbrooke Village?

People need to feel safe where they live. I am solely dedicated to Kidbrooke Village – my time can be spent patrolling the area, engaging with the community or forging relationships between police and residents. I am the friendly face of the Metropolitan Police Service and people should have the confidence to approach me and ask for my help.

What do you enjoy most about Kidbrooke Village?

I have enjoyed watching Kidbrooke Village develop since the beginning. I have watched it grow into the safe, family-friendly environment that it is today. Residents, businesses and community partners are willing to work together to achieve this.

What words would you use to describe Kidbrooke Village?

Vibrant, multi-cultural. It's a beautiful

place to work, lots of open spaces for families to enjoy themselves. Kidbrooke Village has a real sense of community spirit.

Is there any news or information that you would like to share with the residents at this time?

If you would like to hear about crime in the area, receive information on crime prevention advice or would like to know about future police events, please register your interest by sending an email to us at pcso@kidbrookevillage.net. You can also follow me on Twitter @MPSElthamWest to see what I've been up to.

How can people get in contact with you?

You can contact me on pcso@kidbrookevillage.net or on 07594 087878. Please remember to report crime by calling 101 or report online at <https://beta.met.police.uk/report/how-to-report-a-crime/>. If it's an emergency, always call 999.

LWT TRUST

In addition to this newsletter, you should have received a copy of the London Wildlife Trust's new events programme. Berkeley Homes and the London Wildlife Trust work in partnership to deliver an engaging programme of events for all ages.

A number of events have already taken place over the last few months which have enabled residents and their families to learn more about the nature and wildlife at Kidbrooke Village.

Don't forget that if you attend these events then you can post your pictures and thoughts on @_kidbrooke Twitter page or the Kidbrooke Village Community Facebook page.

SUCCESSFUL EASTER EGG HUNT

The heavens may have opened but that did not stop the Easter Egg Hunt taking place at the end of March at Sutcliffe Park in Kidbrooke Village.

Over 150 children – and the Easter Bunny – attended the event, which was co-hosted by the estate management team Rendall and Rittner and Berkeley Homes. Thanks must also go to the development's on-site Sainsbury's store, which donated a number of Easter eggs for the hunt.

NEW PLANNING APPLICATION SUBMISSION

A new planning application (Phase 2 West) is due to be submitted to the Royal Borough of Greenwich for 150 homes, to be built on the western edge of Kidbrooke Village between Moorhead Way and Handley Drive.

The proposals follow the designs that we consulted residents on last year, comprising 65 houses (which will be a mixture of town houses, urban houses and podium houses) and 85 apartments. Subject to planning approval, construction is due to start in early 2020.

Once the application has been validated by the Royal Borough of Greenwich, they will make the documents public and start their consultation process.

We will make the application available to residents in the Information Centre where hard copies will be available from the middle of June.
