### NEW CAFÉ SET TO OPEN AT KIDBROOKE VILLAGE

Kidbrooke Village will soon be welcoming a new café to the area when Albi's open its doors in the first week of March.

Works are currently taking place to transform the existing unit into a traditional Italian coffee shop. The new café will have space for 35 covers and will take advantage of the outside space for food and coffee lovers to enjoy.

The café will be owned and run by Bill Walsh, a former Kidbrooke resident with a well-established history in the

catering industry. Bill first trained at the Savoy Hotel and has been the head chef Lord's Cricket Ground and the O2; worked with chefs including David Cavalier, Gary Rhodes and Antony Worrall Thompson; and been the personal chef for Real Madrid footballer Gareth Bale.

The south Londoner is excited about the new café and said: "I see Albi's as being a real focal point for the community. I want everyone to walk in and feel welcome - residents, commuters, the builders and contractors who are on site every day.

"We'll be sourcing our ingredients locally and we are also employing four permanent staff from the area, one of whom will be a local apprentice trained in catering."

From Monday to Saturday Albi's will be open 6.30am - 6.00pm and 8.00am to 4.00pm on a Sunday, with hot food options served by Bill and his team, and brunch on a Sundays, as well as themed evenings throughout the year.

### GET YOUR 1ST COFFEE OF THE DAY AT KIDBROOKE STATION

## WILD ABOUT KIDBROOKE VILLAGE

Since the middle of October, London Wildlife Trust, in partnership with Berkeley Homes has been running the 'Wild About Kidbrooke Village' project.

The project has been designed to not only create a wonderful space for wildlife, but also a destination for people as well, whilst allowing everyone to benefit from a fantastic green space in Kidbrooke Village.

A number of free activities have been held, providing opportunities to experience and enjoy the wildlife in local streets, gardens and parks.

These have included craft events, pond dipping, mini beast hunts and mammal surveys in Cator Park and Birdbrooke Nature Reserve.

### Get involved in upcoming events

On Saturday 4 March, there is a wonderful opportunity to join a free trip to Woodberry Wetlands (pictured at top of the page) in Manor House.

This freshwater reservoir was closed to the public for almost 200 years until it was opened by Sir David Attenborough last year.

Endangered and rare birds can be spotted all year round. With an expert wildlife guide we will discover the birds, plants and other wild species that now thrive among the newly created islands and reed beds.

The trip will also include free teas, coffees and nibbles. Pick up is from Kidbrooke station at 10am to return at 3pm. For more information on how to book, please see the contact details at the bottom of this article.

On Sunday 12 March, London Wildlife Trust will be heading over to Birdbrook Nature Reserve for the the 'Amazing amphibians' event.

Suitable for children aged 6+, this free event will provide an opportunity to learn about the wonderful species of newts, frogs and toads found across Britain and why it is so important to

protect them.

David Courtneidge, a project officer with the Trust who helps to run the events said: "We have had quite a bit of interest in the events that we have run already and it is incredible to see the faces on the young children when they realise there is so much wildlife on their doorstep."

Further information on the upcoming events can be found on the 'What's On' section of London Wildlife website: [www.wildlondon.org](http://www.wildlondon.org).

To register your interest in the remaining free events, please contact David via [dcourtneidge@wildlondon.org.uk](mailto:dcourtneidge@wildlondon.org.uk) or call him on 07834 867 422. All children must be accompanied by an adult.

## CHRISTMAS AT KIDBROOKE VILLAGE

Residents from Kidbrooke Village and the surrounding area celebrated in the Village Square on Saturday 19 November to get into the festive spirit.

Keavey Lynch from 90s pop band B\*wtiched performed at the Christmas event and collected a £2,500 cheque donation from Berkeley Homes on behalf of The Lighthouse Project and will go towards helping communities in Sierra Leone.

The Blackheath Rock Choir and Halstow Community Choir also took to the stage and sung a selection of Christmas carols.

There was also an interactive 'Frozen' show which saw Anna, Elsa and Olaf perform a range of songs from the Disney movie - with 'Let it Go' being a favourite among many of the young children in attendance.

As the evening drew to a close, the rain swept in but that did not stop everyone from enjoying the food and drink on offer and then gathering around the Christmas tree for the lights switch on.

Footage from the evening can be found on the 'Christmas at Kidbrooke'

and 'Kidbrooke Village Community' Facebook page.

You can also find information about other events via @\_Kidbrooke on Twitter.

## HALTON COURT CHRISTMAS FÊTE A SUCCESS

Residents at Halton Court raised over £900 for the Alzheimer's Society at Christmas when they held their annual charity fête.

During the course of the Alice In Wonderland themed event there were all kinds of fun activities taking place, including a Santa's Grotto, selling of arts and crafts, a raffle, and tombola. Free massages were even on offer for the weary Christmas shopper.

Vimbayi Omotayo, Community

Development officer at Halton Court said: "Christmas is a time when people get together and I feel that everyone at Halton Court came together to make the event a success and raise over £950

for the Alzheimer's Society.

"I would also like to mention Janice Walters who came dressed as the Queen of Hearts and worked really hard to organise the event."
